Wellness Screens

Element wellness screens are a protective barrier that helps prevent the spread of germs. These screens, often referred to as sneeze guards, are designed to integrate into reception, open desks, counters and point of sale areas. Made of clear acrylic, these screens are easy to clean and sanitize.

Specify:

- 6" x 12" center pass through standard
- Option: 412CP 4" x 12" center pass through available (no upcharge)

Clear acrylic screens 1/4" thick
Freestanding, no bolting necessary
10" wide foot provides excellent stability
